In-service/ CPD training for schools

or local authorities for up to 20 staff-£500 per day

Half day or Twilight INSET session for schools

2.5 hours training for up to 20 staff-£250 per session

Workshops

We are able to provide a quality workshops for schools or community groups. These are priced according to time and numbers involved. Please note this is an indication of prices only and are for one member of staff.

Primary

£200 for half a day

£300 for a full day

Secondary

From £200 for a half day

£300 for a full day

There will be an additional charge for resources for multiple workshops.

Please note we are unable to provide assemblies unless a half a day is booked or unless the school is part of a specific project.

Where it is possible we subsidise courses through project funding. In such cases there may be a reduced charge or no charge at all.

There will be an additional charge if hire of specialist equipment is necessary.
